

McAllister Technical Services

Certificate of Decontamination & Safe Handling

This form must be completed prior to returning equipment to McAllister Technical Services (MTS) for evaluation, repair, refurbishing, trade-in or replacement. Any equipment that has been near or exposed to hazardous materials must be assessed and, if necessary, decontaminated before MTS can accept it for service. Please fully complete this form for each piece of equipment being returned, sign it and send a copy to MTS (FAX 208-772-3384). If acceptable, a Return Authorization Number (RA#) will be issued. An additional copy of this form must be sent with the returned equipment, placed on the outside of the shipping container, in a "shipping docs" bag.

Once an RA# has been issued, return items to the following address:

McAllister Technical Services, ATTN: RA# _____, West 280 Prairie Avenue, Coeur d'Alene, ID 83815
